Market Report and Insights

Market Report and Insights : -

- Portland hits 1,000 sales in December.
- Top 10 Product Brands are doing 1/4th of overall revenue and achieving more than revenue target too

→ **Key Point:** Current month transactions and current month profit are greater than previous month but returns increased by 2.9% too

we have to focus on mexico sales more according to previous month maxico performing very well with profit and revenues too
